**Cetis, Inc. Winner of “Colorado Companies to Watch” Award.**

*Colorado Springs, CO., July 13, 2010*—Cetis, Inc (pronounced *Setis*) has been named a winner in the recent 2010 *Colorado Companies to Watch* competition. From a field of 420 nominee companies, Cetis, Inc. was recognized as one of top 50 companies in the state of Colorado in receiving the award.

Cetis accepted the award, along with other corporate winners, at the 2<sup>nd</sup> annual Gala Event held on Friday, June 18, 2010 at the Denver Marriott City Center. Winning companies were highlighted in the June edition of ColoradoBIZ magazine (<http://www.cobizmag.com/>).

“We’re excited about being recognized as a Colorado company experiencing growth,” states Dr. Bing N. Sun, Cetis, Inc. President & CEO. “We look forward to continuing our growth within the Colorado community and globally” he concludes.

Cetis is a U.S. based corporation and manufacturer of Scitec, Teledex, and TeleMatrix brand telephones. Headquartered in Colorado Springs, Colorado, the company maintains sales and support offices in Dubai, China, India, Malaysia, Singapore, and United Kingdom.

**About Colorado Companies to Watch**

Colorado Companies to Watch ([companiestowatch.org](http://companiestowatch.org)) recognizes second stage companies that are creating valuable products and services, creating jobs, giving back to communities, and creating new industry throughout Colorado. Award winners must be headquartered in Colorado, employ 6-99 employees, be growth focused, and maintain a working capital of \$750,000 to \$50 million. The award was developed by the Edward Lowe Foundation.

Scitec • Teledex • TeleMatrix

**About Cetis, Inc.**

Cetis, Inc. ([www.cetisgroup.com](http://www.cetisgroup.com)) is the ISO-9001, RoHS, and WEEE-certified manufacturer of Scitec, Teledex, and TeleMatrix brand telephones, and global leader in the design, engineering, and manufacturing of hotel guestroom telephony and high-speed Internet solutions. Through the 2006 merger of TeleMatrix and Scitec, and the 2009 acquisition of Teledex assets, Cetis has 72 years of combined operating history, and over 21 million telephones installed at 100,000 star-rated hotels by more than 7,000 channel partners globally.
