

August 31, 2009 – InterContinental Shanghai Expo Chooses TeleMatrix Telephones.

Region: Asia

TeleMatrix brand telephones have been chosen for the new InterContinental Shanghai Expo is Shanghai's newest luxury hotel, centrally located just 40 minutes from Pudong International Airport and 45 minutes from Hongqiao Airport. Set to open in December 2009, the property is installing fashionable TeleMatrix 9600MWD5 DECT cordless, 3300MWD5 corded, and 3300TRM trimline corded telephones for hotel guestroom, bath, lobby, and public areas. Built on the World Expo site in Pudong, with spectacular views of Shanghai's skyline and the Hangpu River this hotel is ideally situated and is just eight minutes drive to the heart of Lujiazui, Shanghai's central business district and numerous shopping areas.
