TMX Funding Files Complaint Against Impero Technologies, Inc.

January 14, 2010 - TMX Funding, Inc., an affiliate of Scitec, Inc. and TeleMatrix, Inc., has filed a complaint in the United States District Court, Northern District of California for damages and a permanent injunction against Impero Technologies, Inc.

The complaint claims misappropriation of trade secrets, interference with prospective economic advantage, breach of contract, breach of duty of loyalty, unfair competition, conversion- personal property, constructive trust and accounting and violation of penal code §502.

TMX Funding rightfully purchased Teledex assets at the public foreclosure and will pursue property rights with regards to Teledex assets (including ExpressNet[®] technology, contracts, know-how and databases) to the fullest extent of the law.
